Open Statement

This is the Open Statement that the “International WingTsun Association” or abbreviated as “IWTA” is the First and the Only Largest Chinese Kungfu association founded by myself, Dr Leung Ting, Golden Rank Founder, since 1973.

In our association, all the instructors are my students or their own students who teach ONLY the “Leung Ting WingTsun ®” in all our schools over 65 countries.

Sifu Filippo Cuciuffo, 6th Level, the highest Level Italian student and the headman of the Italian HQ, is the ONLY person appointed by the IWTA and myself

Please pay attention that our spelling is “WingTsun®” or “Leung Ting WingTsun ®”; we do not teach any other styles of so-called “kungfu” as intentionally misspelt by some of the impostors on their purpose to deceive the laymen.

Dr Leung Ting
